## STAND IN THE GAP

Ezekiel 22:30 expresses the need for a man of leadership to stand in the gap to spare the destruction of the land, but none were found. Our society continues to fall further in its moral decline and godlessness. We know that things will only continue to get worse. God is still looking for men who will take their stand in the gap to confront the enemy of God and stand for Christ.

Our 2010 Men's Retreat will be one that will refresh you physically and challenge and equip you spiritually so you can continue on for the cause of Christ. This weekend away will help to prepare you for the days ahead as together we are strengthened by the powerful preaching of God's Word!

### DR. JOHN GOETSCH

Dr. John Goetsch was born and raised on a dairy farm near Wauwatosa, Wisconsin. Though raised in a Godly home, it wasn't until the age of fifteen that he trusted Christ as Saviour at a youth camp in Northern Wisconsin. In his later teen years he struggled with priorities but surrendered to attend Bible College. He graduated from Maranatha Baptist Bible College in June of 1974 and entered full-time evangelism. Since then he has preached thousands of times and held revivals in local churches, schools, and youth camps all across the United States and in some foreign countries. Dr. Goetsch has spent much time memorizing Scripture which he uses extensively in his preaching. On July 1, 1996, he and his family moved to Lancaster, California, where he joined the staff as Executive Vice President of West Coast Baptist College. During the school year, Dr. Goetsch devotes himself to administration and teaching numerous classes in the college. On the weekends and during breaks from the school, he continues to preach revivals and special services wherever possible. Dr. Goetsch has been married for 35 years and has four children and six grandchildren.
